d	i	s	t	a	n	c	e	o	n

Look at the picture and circle the correct sentence.

1.

The wheel is one of the greatest inventions.

The telephone is one of the greatest inventions.

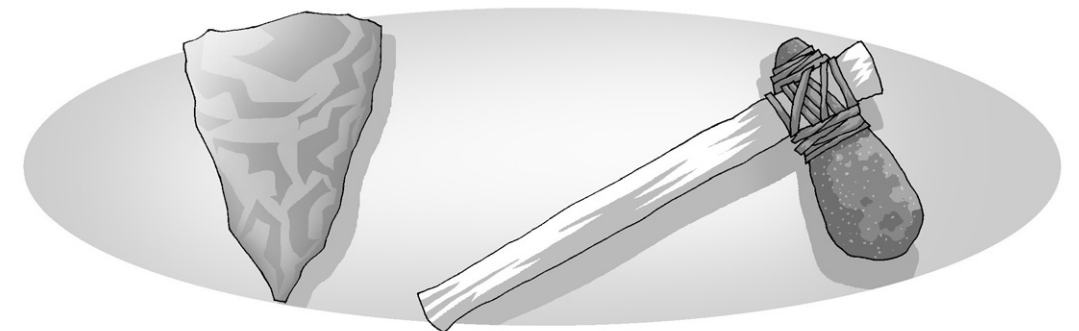

2.

Years ago people traveled by horse.

People began to travel by car.

3.

Today many tools are powered by electricity.

People made early tools from stones.

Read the paragraph and circle the correct answer.

An invention is when something new and useful is made for the first time. People have been inventing things for a long time.

1. What is the best title of this paragraph?

- ① Telephone ② Airplane ③ Inventions

2. What might follow this paragraph?

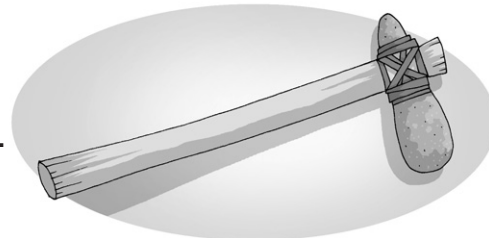

- ① some examples of great inventions in the history
② an early airplane and today's airplane

Read the sentences and fill in the blanks with one common word.

_____ were the first great invention.

People made early _____ from stones.

tools

Look at the pictures and write the differences between the early tools and today's tools.

Early tools were

made from stones.

Today many tools are

powered by electricity.

Mark (✓) on Yes or No.

1. The wheel is one of the greatest inventions.

Yes ☒ No ☐

2. Before the wheel was invented people had to carry heavy things.

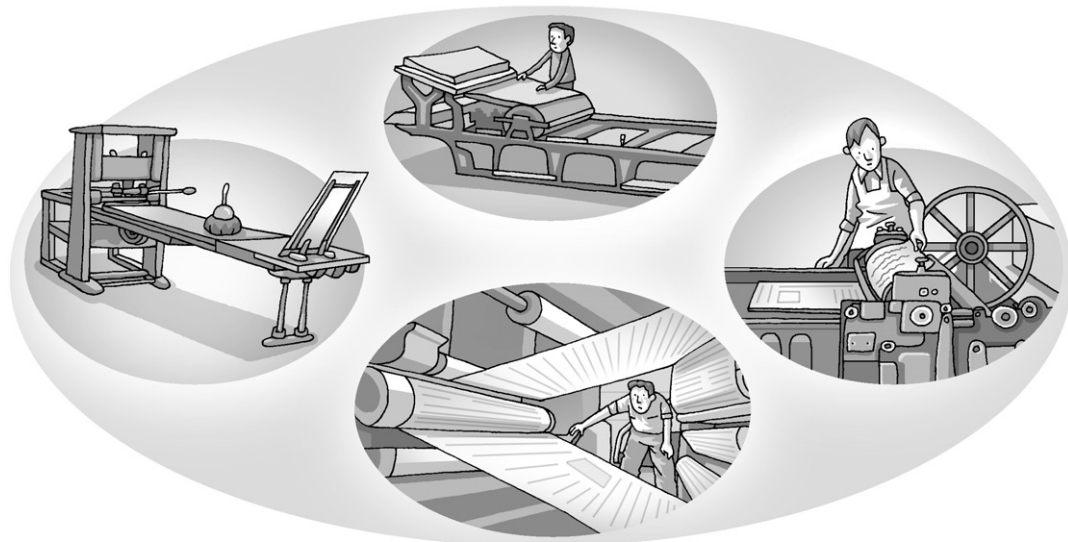

Yes ☒ No ☐

3. Wheels made work harder.

Yes ☐ No ☒

Look at the pictures and circle the correct answer.

- What are these in the pictures?
 ① computers ② printing press ③ wheels
- Before this invention, how did people make books?
 ① People had to write out books by hand.
 ② People had to print copies of books.

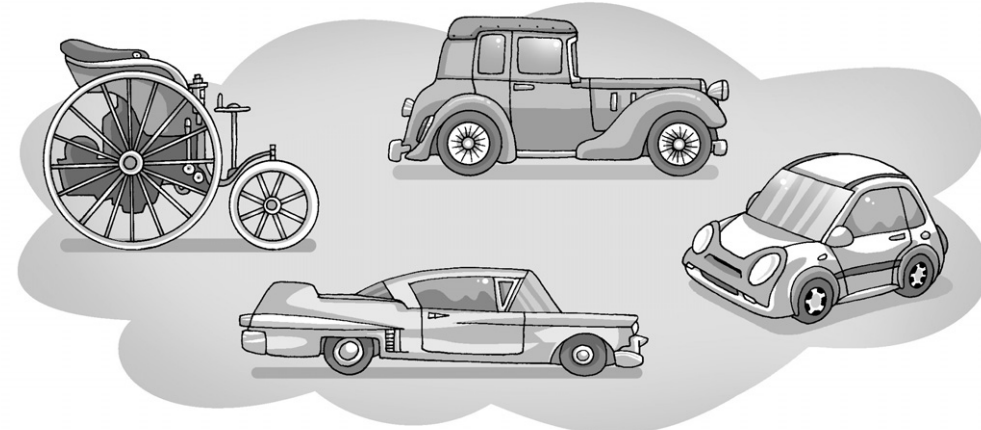

Circle the correct answer.

- What is the invention that lets people talk to each other wherever they live?
 ① a wheel ② a car ③ a telephone
- What is the invention that helps people travel further from home?
 ① printing press ② a car ③ a computer

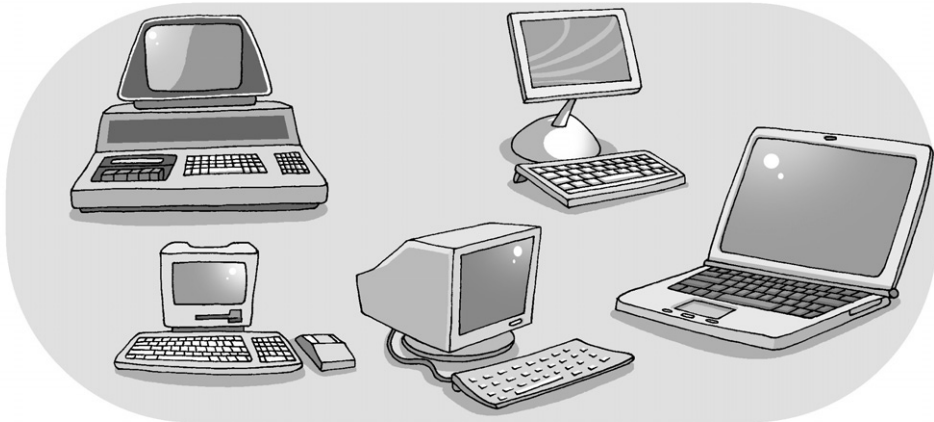

Read the paragraph and circle the correct answer.

Years ago people traveled by horse and buggy. It took a long time to get from one place to another. Then the car was invented. The car took less time to travel the same distance so people began to travel further from home.

- What is the best title of this paragraph?
 ① Computer ② Car ③ Telephone
- What is the synonym of the underlined word?
 ① carry ② horse ③ trip
- Which one is true from this paragraph?
 ① Years ago people traveled by cars.
 ② After the car was invented, people began to travel further from home.

 Look at the pictures and read the sentences. Then number the sentences in order.

- (1) Today everyone can gain information by using the Internet.
- (2) The personal computer is a recent invention.
- (3) It helps people store and use information.
- (4) People also invented ways to link PCs and share information.

(2) → (3) → (4) → (1)

 Answer the questions in your own words.

1. How does the personal computer help people?

It helps people store and use information.

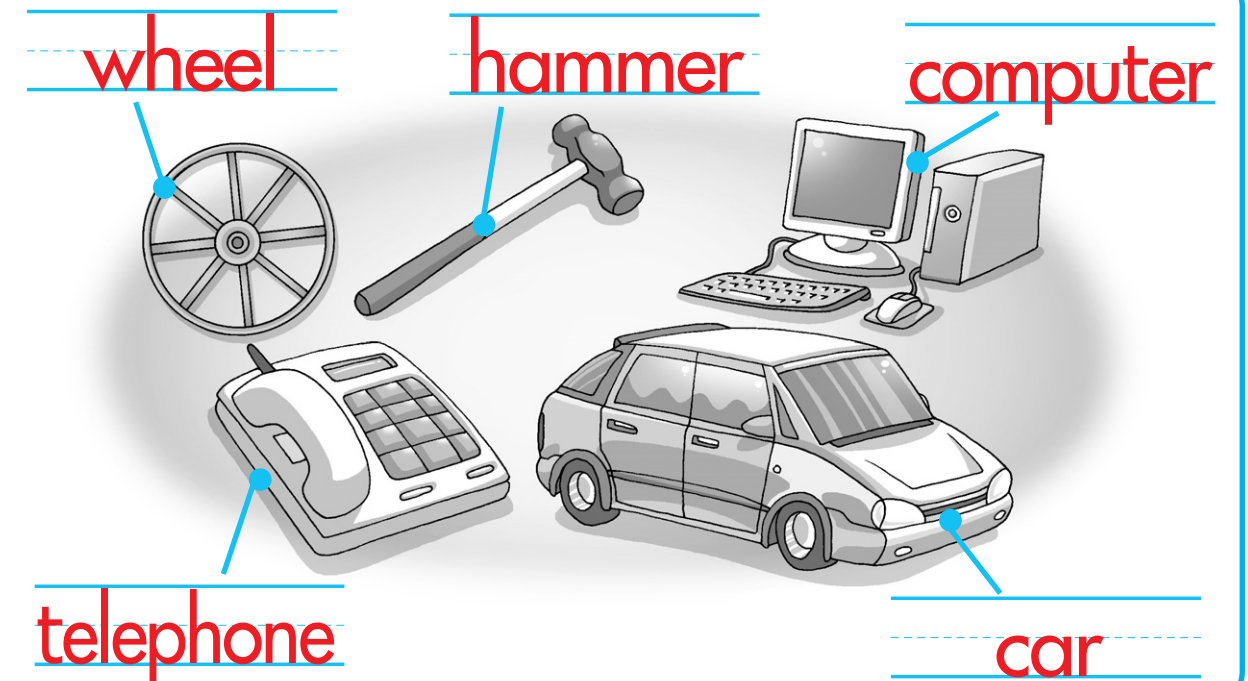

2. What is the invention that links personal computers and shares information?

the Internet.

 Read each sentence and mark (✓) on True or False.

1. Before the wheel was invented people had to carry heavy things. True ☒ False ☐
2. Printing press could print many copies of a book very quickly. True ☒ False ☐
3. Before telephones were invented, it was easy for people to stay in touch. True ☐ False ☒
4. The car took less time to travel the same distance than before. True ☒ False ☐
5. Today people make tools from stones and woods. True ☐ False ☒

 Write the names of the inventions.

 Look at the pictures and circle the correct words.

Tools (was were) the great invention.

Before the wheel (was were) invented people had to carry heavy things.

Then the printing press (was were) invented.

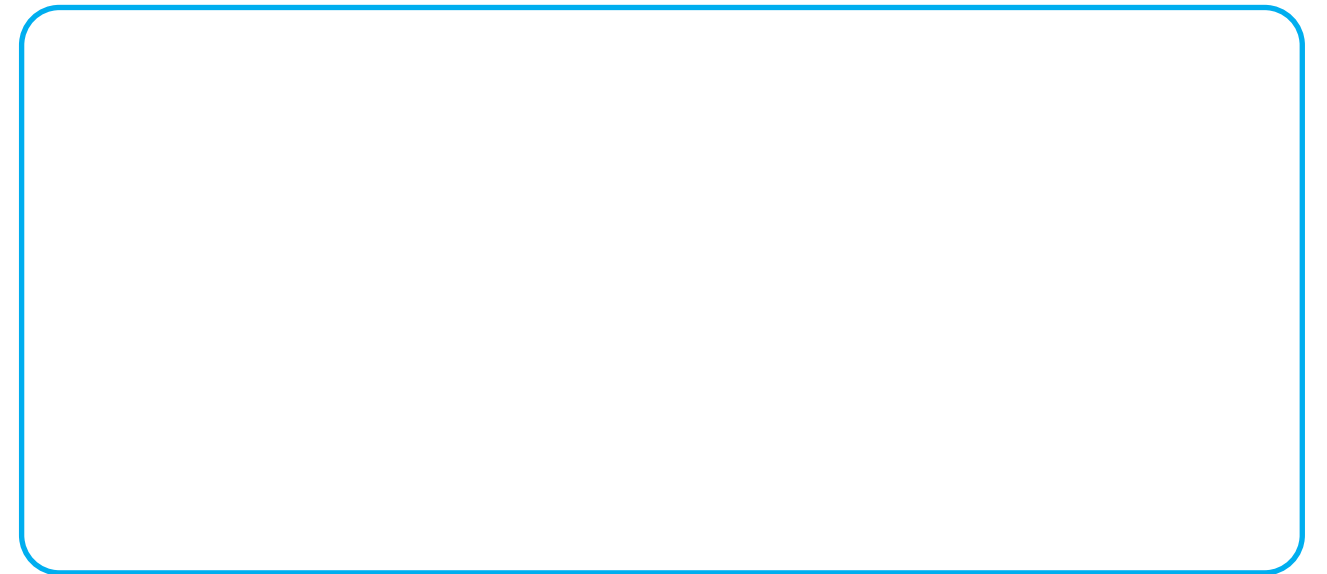

We (was were) going to play catch.

Jenny (was were) sick.

 Draw a picture of your dream invention.

 Write about your dream invention above.

My invention is

It will help people
